

We are pleased to be able to offer one Apprenticeship

Assistant Conservation Project Operative

National apprenticeship rates apply

Monday to Friday 8:00 am – 5:00 pm

Includes study time and support to gain 'Level 2 work-based Environmental Conservation' qualification. You will also acquire a number of skills certificates relevant to the job.

Reporting to our base in Llay each morning, then travelling to various locations with a team, you will be assisting with the following tasks:

- Scrub clearance
- Woodland management
- Grassland management
- Installation of wildlife fencing
- Movement of fauna and flora
- Pond creation and management
- Woodland felling and planting
- Invasive weed control
- Access improvements i.e, creation of paths, platforms and installation of countryside furniture
- A variety of other activities related to habitat management and wildlife conservation.

You must be physically fit and able to work outdoors on all terrains and in all weathers.

Please email a CV and personal statement/cover letter including any experience or qualifications that you have to: taz@elm.uk.net
